To all Residents, Families, Staff and Visitors;

We are pleased to announce that Craigwiel Gardens has a new Administrator for our Long Term Care Home, Craigholme. It is my privilege to introduce to you, Ms Rhonda Duffy.

Rhonda comes to us as a healthcare professional with over 25 years experience working in Long Term Care. Her experience spans both the Not-for-Profit and Private sectors in Administration and has been an integral part of a redevelopment leadership team of a Long Term Care Home.

Rhonda's leadership has been demonstrated in various capacities throughout her career and is a welcome addition to our leadership team. Rhonda boasts a BSc in Gerontology and Hospitality Management and an Associates Degree in Business Studies and Marketing. Her certification in LEAN Management will assist our team in achieving our high standard of care we have come to experience, enjoy and expect.

Rhonda begins her journey with Craigwiel on Wednesday, February 28, 2018.

Please help us welcome Rhonda to our team and feel free to stop by her office near the dining room to introduce yourself.

Thank you for your ongoing support and commitment to Craigwiel through this exciting time! We take great pride in administering exceptional quality care to our community; touching the lives of those around us and working together, assisting people to maintain the highest possible quality of care with dignity and accountability.

Warmest Regards,

Sarah Tutti
Executive Director
